Chris,

No need for additional briefing at this time; we'll see if Matt wants anything else after the meeting.

Thank you,  
Kamila

Kamila, in connection with your request that we work with Fletcher to set up a briefing for Matt later this week to discuss preemption issues surrounding CA's Prop 65 and pesticide labeling, are you good with the background Bob Perlis provided via the email below on Friday, or do you want/need us to prepare some other or additional briefing materials? Thanks in advance, Chris

Matt:

Per our discussion, here's some background on the current state of the Prop 65 labeling issue (sorry if this is too long):

- **Ex. 5 AC/AWP/DP**

Hope this gives you the background you need without too much unnecessary detail...
